THE PRESIDENT'S MESSAGE

by Justin Fleming, PA Partnerships for Children

Dear Members & Colleagues,

As we turn the calendar to Spring, PAGR is delighted to update you on some of the things we're working on to better serve our membership. We have a great program planned for

April featuring former Rep. Mike Vereb and Adrienne Mueller with the Attorney General's Office. The Board also continues to monitor the progress of the Lobbying Disclosure bill packages in the Senate and House, though most of the members have been preoccupied with filing petitions lately (as have I :)). We're also working on a solution to ensuring that lobbyists have premiere capitol access using our badges once again, and have devised a strategy to pursue this agenda item.

Finally, after starting out very well, our efforts to increase our membership have hit a snag. This year's membership goal is 200 members in 2022, but our budget calls for us to have at least 180 to provide the programming that is so important to you. As people become more comfortable with in-person activities, there's no better time to become a member to participate in the upcoming Capitol Happy Hour, Lobbyalooza and more! We need your help in convincing a friend or colleague to **join today** [[Pennsylvania Association for Government Relations - Join PAGR](https://www.pagr.org/Join)], as it has never been easier! Wishing you all the best as we creep toward budget season. On behalf of the PAGR Board, it's a pleasure to work on your behalf!
